PROFILE

With over 8 years of experience in content strategy and integrated communications, I specialise in developing communication strategies based on cultural, user, and market insights. In recent years, I have focused on tourism content and destination operations, with expertise in cross-platform content distribution and project management, and am committed to enhancing travel experiences through content and operations.

KEY SKILLS

Cross-team Collaboration: Effective cooperation with operations, customer service, and multilingual teams

Content Strategy & Distribution: Multi-platform content planning, brand storytelling, and user growth

Project Management: End-to-end coordination, supplier management, and offline event execution

Tools & Systems: Proficient in Microsoft Office (Word/Excel/PPT); quick to learn tourism-specific systems

Languages: Chinese (Native), English (Fluent, IELTS 6.5)

EDUCATION EXPERIENCE

Lancaster University | MSc, Entrepreneurship & Innovation | Sep 2023 - Nov 2024

Research: Comparative analysis of Tripadvisor/Airbnb/GetYourGuide OTA strategies; proposed experiential tourism products for youth travellers.

Developed an integrated language-learning and travel app concept. Assessed inbound tourism potential and created a business framework for cultural tourism entry.

Science & Technology College of NCHU | BA, English | Sep 2010 - Jul 2014

PROFESSIONAL EXPERIENCE

Freelancer | Shanghai | Mar 2025 - Dec 2025

Parallel Light Travel Platform | Content Operations (0→1)

Developed overall content strategy, including production workflow, brand narrative, and product storytelling

Achieved 2,000+ followers growth within one month through social media content

Tibetan Intangible Cultural Heritage Research | Brand Creative Project Research Assistant

Conducted field research on Bangdian weaving techniques, transforming cultural elements into brand stories and marketing materials

Agri-Cultural Tourism Integration Project | Hengsha Island Short-Stay Destination Operations

Designed "Tree Adoption" activity integrating agriculture, community, and culture, attracting 200+ participants and 100,000+ exposure

Created a "Local Story Archive" through interviews with government and village representatives to support long-term destination storytelling

SDG Changemaker | Assistant Researcher | Remote | Oct 2024 - Dec 2024

Researched and authored two 10,000-word papers on coconut husk sustainable applications, supporting community partnerships and funding proposals for eco-friendly business models.

Mountains Consulting | PR Director | Shanghai | Jan 2022 - Apr 2023

Build PR strategy and media matrix for newly established consultancy.

Grew social media followers from **0 to 100,000+**; achieved **90%+ event participation**; established the brand as a top industry voice within one year.

SGAD | PR Director | Shanghai | Jan 2021 - Jan 2022

Broaden PR reach and strengthen industry relationships, increase cross-industry exposure and enhance brand authority.

Soul | Brand Planning Manager | Shanghai | Jul 2020 - Oct 2020

Plan and execute an offline event to boost brand presence. Organised an art exhibition event with coordinated vendor and budget management. As a result, we successfully launched Soul's first brand event, attracting **over 10,000** participants.

ADQUAN | Senior Planning Manager | Shanghai | Oct 2017 - Jul 2020

Package marketing cases, expand clients, and manage multi-platform content.

Handled **100+ clients**, including 4A agencies, local agencies and brands; organised industry events and co-branding campaigns. Increased single-client contract value from **0 to 1 million**; operated social media, like Zhihu followers from **1k to 30k**; WeChat followers from **0 to 8k**.
